

VACANCY ANNOUNCEMENT

Government of Nepal, Ministry of Agriculture Development

किसानको लागि उन्नत बीउ बीजन कार्यक्रम - KUBK
Improved Seed for Farmers Programme - ISFP

Kisankalagi Unnat Biu-Bijan Karyakram/ Improved seed for farmers program (KUBK - ISFP) is an IFAD funded operation to support accelerated agricultural growth. It aims at developing the formal seed sector as well as improving smallholder livestock through improved partnership with the private sector in the hills of Nepal. The program is designed to support two key aspects of agriculture sector hampering productivity: the improvement of formal seed (cereals and vegetables) and improvement of smallholders livestock (goats and dairy) in order to increase income of poor rural households (HHs). The project became effective since 02, December 2012 and will continue for seven years. The Ministry of Agricultural Development is the implementing agency with Heifer International, Argo Enterprise Center (AEC) of Federation of Nepalese Chambers of Commerce and Industries and Small Farmers Development Bank / Nepal Agriculture Cooperative Central Federation Limited are the implementing partners.

RPPL hereby invites interested and appropriately qualified Nepalese citizens to apply for the following job positions as per the following minimum requirements of qualification and experiences:
